Subject: NTSB: China has issued visas to FAA, Boeing, CFM
Just released:

https://twitter.com/NTSB_Newsroom/status/1508852261782446090

China has issued visas to NTSB investigators and technical advisors from the FAA, Boeing and CFM to travel to China to support the CAAC's China Eastern B-737 accident investigation. The team hopes to depart this week. The NTSB team will not release any information about the investigation as that authority belongs to the Chinese government under ICAO Annex 13.
